Job/Fellowship Reference: Centro de Matemática da Universidade de Coimbra - MAT/00324**Main research field:** Mathematics**Sub research field:****Job summary:**

The University of Coimbra is awarding three postdoctoral research grants to work on the Project “ Centro de Matemática da Universidade de Coimbra - MAT/00324”

Job description:

The University of Coimbra is awarding three postdoctoral research grants to work on the Project “ Centro de Matemática da Universidade de Coimbra - MAT/00324”, under the following conditions:

Number of grants: 3**Type of activity:** The work will be related to CMUC’s research.**Financial support:** By national funds through FCT/MCTES and by FEDER through COMPETE 2020 – Programa Operacional Competitividade e Internacionalização (POCI-01-0145-FEDER-006982).**Applicant profile:** PhD in mathematics or related scientific areas.**Location:** Department of Mathematics – Faculty of Sciences and Technology – University of Coimbra.**Duration:** 12 months.**Renewal:** Non renewable.**Scientific Orientation:** The scientific supervision of the grants will be ensured by Professor Maria Manuel Pinto Lopes Ribeiro Clementino.**Financial conditions:** The amount of the scholarship is 1.495,00 € (<https://www.fct.pt/apoios/bolsas/valores.phtml.en>), paid at the end of each month by bank transfer, plus social security (*seguro social voluntário*, first level contributions) and a personal accidents insurance.

Regime: The attribution of the scholarship does not generate or entitle a relation of a legal-labour nature, it is undertaken in an exclusive dedication regime. The fellowship holder is granted with the Fellow Statute of the University of Coimbra, in conformity with the Research Fellowship Holder Statute and the Regulation of Research Grants of the Foundation for Science and Technology (FCT), both in their latest version.

Selection methods: Initially, the jury evaluates the curriculum of the candidates according to the criteria defined below. Candidates who obtain at least 75/100 will be interviewed in a second stage. The final grade is a weighted average, with a weight of 4/5 given to the curricular evaluation criterion and 1/5 to the interview. For non-interviewed candidates, the final grade is equal to the score obtained in the first stage.

Selection and attribution criteria: Curricular evaluation:

Curriculum vitae merit: 60%;

Work plan quality and adaptation to CMUC's scientific activity: 30%;

Letters of recommendation: 10%.

Preference will be given to applicants with experience in the areas in which CMUC members are scientifically active and also to candidates with good English skills.

Formalization of application: Letter of application, curriculum vitae, list of publications, work plan and indication of three researchers to whom letters of recommendation can be requested.

Applications submission: Applications should be sent by email to cmuc@mat.uc.pt

Jury responsible for selection: Professor Ana Paula Santana Ramires, Professor Joana Margarida Mavigné de Andrade Alves de Sousa Nunes da Costa, Professor José Augusto Mendes Ferreira, Professor Júlio Severino das Neves, Professor Maria Manuel Pinto Lopes Ribeiro Clementino, Professor Paulo Eduardo Aragão Aleixo e Neves de Oliveira.

Submission of applications: Between 04/05/2016 and 03/06/2016.

Publication date: 18/04/2016.

Deadline for submission of applications: 03/06/2016.

Additional information: The evaluation results will be announced within 90 days after the end of the applications submission deadline, by notifying the applicants via email. After

the announcement of the results, candidates are considered automatically notified to, if they wish to do so, comment on the results on a preliminary hearing period within 10 days after that date. After this, the selected candidates will have to declare in writing their acceptance. Unless a justification worthy of consideration is presented, if the declaration is not submitted within 5 days, it is considered that the candidate waives the scholarship. In case of resignation or withdrawal of the selected candidate, the next candidate with the highest evaluation score will be notified immediately.
