

POSTDOCTORAL POSITION IN ALGEBRAIC GEOMETRY AT CMUC

The Centre for Mathematics of the University of Coimbra invites applications for a one-year plus six months renewable Postdoctoral Position in Algebraic Geometry, starting in October 2011.

The successful applicant will become a member of the research team of FCT's project *Moduli Spaces in Algebraic Geometry*, PTDC/MAT/111332/2009.

Applicants are expected to have a PhD in Algebraic Geometry by October of 2011. Postdoctoral positions at CMUC are bound by the Portuguese scholarship statutory law. They have a monthly stipend of €1495 (tax free) plus the minimum social security payments. No teaching duties are associated with this position.

Applications should be sent by email to Margarida Melo at the address mmelo@mat.uc.pt and should include:

- Curriculum vitae (with list of publications).
- Research Statement (one page maximum).
- One reference letter.
- An extra reference's name and email address.

The deadline for applications is the 31st of May of 2011. The results will be communicated during July of 2011.
